

## ***CHURCHES AND ORGANIZATIONS***

Empower your members to become better servants over the financial resources God has entrusted to their stewardship by subscribing to ***WEALTH for the RIGHTEOUS*** quarterly newsletter.

God wants His people to exercise wisdom and diligence in all their affairs. Financial literacy in the marketplace is imperative for preserving and protecting our assets.

Wealth for the Righteous Resource Center provides financial “know-how” in the areas of consumer and family finance, saving and investing, retirement planning, and employee benefits through publications, seminars and its web site, [www.wealthrighteous.net](http://www.wealthrighteous.net).

*It would be wonderful for your members to receive the newsletter through their church or non-profit organization as a member benefit! Become a “subscription partner.”*

### **How a group subscription works:**

- Each group subscriber orders issues of ***WEALTH for the RIGHTEOUS*** newsletter at a discount based on quantity.
- Group subscribers decide whether to charge members for the newsletter or distribute it at no charge.
- Wealth for the Righteous Resource Center bills subscribers quarterly. A change in quantity or cancellation of the subscription for future issues can be made at any time prior to delivery of the next quarterly issue.
